# Why volunteer at High Trees?

Looking for a fun and meaningful team-building day that gives back? For over 26 years, High Trees has been championing local people in Tulsa Hill, offering free services in education and training, employment support, youth activities, and more - reaching over 1,400 people each year!

Tulsa Hill Adventure Playground is one of our most loved spaces, a green oasis on a large social housing estate. Open five days a week, we provide an open access space where hundreds of children and young people can play, explore, and grow.

## How can your team get involved?

Adventure playgrounds like ours, offering children and young people a safe environment to play freely, build confidence and form friendships, are increasingly rare. Ongoing funding cuts are putting these spaces under constant threat.

You can make all the difference! We're inviting corporate volunteers to help us revive, refresh, and reimagine our playground. Get stuck into painting, repairing play equipment, landscaping, gardening, and more.

Your help, alongside a financial contribution, allows us to cover the cost of materials and to keep this space thriving for future generations.
